## Section 1 – Introduction

This directory provides a list of HealthTeam Advantage Plan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

As a HealthTeam Advantage Plan member, you can receive care from any provider or hospital you choose. You do not need a referral to any doctor or hospital. We encourage you to select an in-network provider to act as your primary care physician (PCP). When you select a HealthTeam Advantage in-network PCP, you’ll have a dedicated physician who will focus on your individual health care needs and coordinate your care with other in-network providers if needed. This allows you to keep your out-of-pocket costs lower and more predictable.

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

The “network providers” listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

If you select an out-of-network provider, please make sure that the provider accepts Medicare; otherwise, you may have to pay more for their services. If an out-of-network provider submits a bill directly to you, do not pay the bill. Instead, submit it to HealthTeam Advantage Plan for processing and determination of enrollee liability, if any. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world whether you are in or out of HealthTeam Advantage plan’s service area. Call 911 or go to the nearest emergency facility. Emergency care can always be obtained in or out of the service area from the nearest available provider.

Post-stabilization care is medically necessary services related to your emergency medical condition that you receive after your treating physician determines that your condition is clinically stable. All in-network and out-of-network follow-up care will be covered under the terms and conditions of your plan.

You do not need to get a referral or approval in advance when you get care from out-of-network providers. However, it is strongly recommended that you provide notification to HealthTeam Advantage before you get some services from non-plan providers. If you do not provide this notification, you may be responsible for the providers’ charges, if HealthTeam Advantage Plan determines the services are not covered benefits, or are not medically necessary. If you provide notification before obtaining services, you will not run the risk of HealthTeam Advantage Plan determining that the services are not covered.

# **HealthTeam Advantage Health Plan (PPO)**

## **2016 Pharmacy Directory**

This pharmacy directory was updated on 12/2015.

For more recent information or other questions, please contact HealthTeam Advantage at 1-888-965-1965. TTY users, should call 711, between 8:00 a.m. to 8:00 p.m., EST, seven days a week, or visit [www.healthteamadvantage.com](http://www.healthteamadvantage.com).

### **Introduction**

This booklet provides a list of HealthTeam Advantage Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and HealthTeam Advantage Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under HealthTeam Advantage Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/30/2015. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.healthteamadvantage.com](http://www.healthteamadvantage.com). You may also call your Healthcare Concierge for updated provider information.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact HealthTeam Advantage Health Plan.

# HealthTeam Advantage Health Plan PPO's Network Pharmacies

Our network pharmacies are sorted in the following order:

Type of Pharmacy (Retail, Mail Order, Home Infusion, LTC, I/T/U), City, and Pharmacy Name).

If a pharmacy is not available to all members, the listing will state "Limited Access."

An extended day's supply is available at pharmacies marked with "90 Day".

## **RETAIL PHARMACIES, INCLUDING CHAIN PHARMACIES**

### **MAIL ORDER PHARMACY**

### **HOME INFUSION PHARMACIES**

### **LONG-TERM CARE PHARMACIES**

Residents of a long-term care facility may access their prescription drugs covered under HealthTeam Advantage Health Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

### **INDIAN HEALTH SERVICE / TRIBAL / URBAN INDIAN HEALTH PROGRAM (I/T/U) PHARMACIES<sup>†</sup>**

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through HealthTeam Advantage Plan's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

You can get prescription drugs shipped to your home through our network mail order delivery service.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill service. Under this service, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill service, please contact us 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill service, please contact us by calling 1-888-965-1965 or, for TTY users, 711, between 8:00 a.m. to 8:00 p.m., EST, seven days a week, or visit [www.healthteamadvantage.com](http://www.healthteamadvantage.com).

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-888-965-1965 or, for TTY users, 711, between 8:00 a.m. to 8:00 p.m. EST, seven days a week, or visit [www.healthteamadvantage.com](http://www.healthteamadvantage.com).
