Describe any special circumstances that should be considered when authorizing services:

This request will be processed per the standard organization determination timeframes. If this request needs to be treated as "expedited", please note clinical justification why applying the standard timeframe for a determination could seriously **jeopardize the member's life, health or ability to regain maximum function:**

Authorization does not guarantee or confirm benefits will be paid. Payment of claims is subject to eligibility, contractual limitation, provisions and exclusions. Please refer to www.htanc.com for specific codes requiring a prior authorization.
