

Company Overview

Conducting business as HealthTeam Advantage, Care N' Care Insurance Company of North Carolina, Inc., is owned by Cone Health.

HealthTeam Advantage made a significant impact when it entered the Greensboro Medicare Advantage market in January 2016.

Since then, the company has grown and now provides coverage for more than 22,000 Medicare beneficiaries throughout 33 North Carolina counties.

HealthTeam Advantage Medicare Advantage plans offer comprehensive coverage, including Medicare-covered medical benefits (Parts A and B), plus valuable extras such as dental, vision, hearing, prescription drug coverage, and more.

The company is committed to delivering the best possible member experience, driven by its unique personal touch customer service model.

Through this Healthcare Concierge model, a team of local experts—knowledgeable in Medicare and Medicare Advantage plans—provides personalized support to answer all member questions with care.

The HealthTeam Advantage mission is to improve the health and well-being of our communities through a commitment to personalized service, quality, and enhanced care experiences.
