Provider Portal 3.0

The Provider Portal, powered by HealthAxis is used by Beacon Health Solutions, the third-party administrator for Care n' Care of North Carolina's products: HealthTeam Advantage and Teal Premier.

This portal is a quick resource that allows Providers convenient access to member benefits and eligibility details and claim information.

How to Access the Provider Portal

Enter the following link.

Link:

<https://htaprovider.prod.healthaxis.net/login>

Note: The Provider Portal cannot be accessed through Internet Explorer, users must use Chrome.

- **ONLY the provider/practice/vendor administrator should request access. Individual staff members will be provided access by their provider/practice/vendor administrator. Any individual staff members that request access individually, will be denied.**

How to Request Access to the Provider Portal

The screenshot shows the Provider Portal login interface. At the top, there is a green header with the text "Provider Portal". Below the header, the logos for "healthteam advantage" and "Teal Premier" are displayed. The main content area contains a "User Name" input field with a person icon, a "Password" input field with a lock icon, and a checkbox labeled "Remember my user name on this computer". A large green button with a right-pointing arrow and the text "LOGIN" is positioned below the input fields. At the bottom of the form, there are two buttons: a red button with a magnifying glass icon and the text "FORGOT PASSWORD?", and a blue button with a plus sign icon and the text "REQUEST ACCESS".

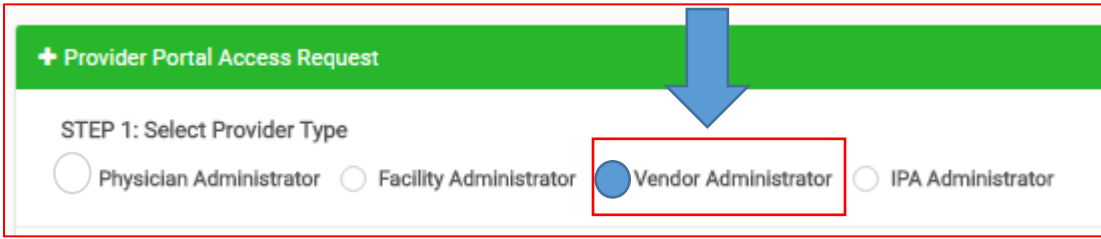

Click the "Request Access" button and the screen below will be displayed. Select "Continue" to proceed. Selecting "Back to Login" will return to the log-in page.

- **NOTE: ONLY the provider/practice/vendor administrator should request access. Individual staff members will be provided access by their provider/practice/vendor administrator. Any individual staff members that request access individually, will be denied.**

The screenshot shows the "Before You Register" page. The header is blue with the text "Before You Register". The main content area is white and contains the following text: "If your office already has an active Provider Portal account, for this Health Plan, please contact your Provider Administrator. Your Provider Administrator has access to create additional Authorized User Accounts." Below this, it says "This registration is to request a Provider Administrator User Account only." At the bottom of the page, there is contact information: "For any questions, please contact the Health Plan at HTAProviderServices@beaconh.com or (844)806-8217." At the bottom of the page, there are two buttons: a green button with a checkmark icon and the text "CONTINUE", and a blue button with a left-pointing arrow icon and the text "BACK TO LOGIN".

Selecting “Continue” will display the Provider Portal Access Request Form. New provider admin users should request access to the Provider Portal using this form. Fill all the details in the form and submit request to plan administrator. Each of the provider admins will have ability to create “User” accounts.

NOTE: There are four possible user types, but vendor administrator is the option you should choose.

Provider Portal Access Request Screen	
Field Names	Select Provider Type Section – Field Descriptions
	
Vendor Administrator/Group Administrator	The Vendor Administrator radio button should be selected for Vendor Group/Physician Group Practice Administrator level access. This user type will have access to all member information associated with all the physicians under the group practice. This user can also determine roles within the practice, and create/update/manage all portal users at their practice.
Facility Administrator	Do Not Use: Facility Administrator radio button should be selected for Facility/Hospital Administrator level access.
Physician Administrator	Do Not Use: Physician Administrator radio button should be selected for setting up an individual provider their own level access. This user type will have access to information limited to their members only.
IPA Administrator	Do Not Use: IPA Administrator radio button should be selected for IPA Administrator level access.

Field Names	Enter Tax ID or NPI Section – Field Descriptions
	<div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid red; padding: 5px; width: 45%;"> <p>STEP 2: Enter Tax ID</p> <p>Tax ID</p> <input style="width: 90%; border: 1px solid red;" type="text" value="Tax ID"/> <p style="text-align: center; color: red; font-weight: bold;">Required</p> </div> <div style="border: 1px solid red; padding: 5px; width: 45%;"> <p>STEP 2: Enter NPI</p> <p>NPI</p> <input style="width: 90%; border: 1px solid red;" type="text" value="NPI"/> <p style="text-align: center; color: red; font-weight: bold;">Required</p> </div> </div>
Tax ID	<p>In the Tax ID field, enter the appropriate Tax Identification Number; this field is displayed for Vendor Administrators or IPA Administrators only.</p> <p>Note: System will validate the TIN is in HAX system. If not found, it will display notification: “Tax ID doesn’t exist in the system.”</p>
NPI	<p>In the NPI field, enter the appropriate NPI (National Provider Identifier) number; this field is displayed for Physician Administrators and Facility Administrators only.</p> <p>Note: System will validate the NPI is in HAX system. If not found, it will display notification: “NPI doesn’t exist in the system.”</p>
Field Names	Create a User Name & Password Section – Field Descriptions
	<div style="border: 1px solid red; padding: 5px;"> <p>STEP 3: Create a User Name & Password</p> <div style="display: flex; justify-content: space-between;"> <div style="width: 30%;"> <p>User Name</p> <input style="width: 95%; border: 1px solid red;" type="text" value="User Name"/> <p style="text-align: center; color: red; font-weight: bold;">Required</p> </div> <div style="width: 30%;"> <p>Password</p> <input style="width: 95%; border: 1px solid red;" type="text" value="Password"/> <p style="text-align: center; color: red; font-weight: bold;">Required</p> </div> <div style="width: 30%;"> <p>Re-Enter Password</p> <input style="width: 95%; border: 1px solid red;" type="text" value="Re-Enter Password"/> <p style="text-align: center; color: red; font-weight: bold;">Required</p> </div> </div> </div>
User Name	<p>In the User Name field, create a user name, containing five or more alphanumeric characters.</p> <p>Note: System will trigger notification “Enter different User Name” if the user name entered is already in use.</p>
Password	<p>In the Password field, create a password containing a minimum of six characters to include: 1 Uppercase, 1 Lowercase, 1 Numeric, and 1 Special Character.</p>
Re-Enter Password	<p>In the Re-Enter Password field, type in the password exactly as it was entered in the password field. Note: System will trigger notification “Value should match password” if there is a discrepancy between the two password fields.</p>

Field Names

Enter Demographic Information Section – Field Descriptions

STEP 4: Enter Demographic Information

Salutation: Select an Option (dropdown), First Name: First Name (text), Last Name: Last Name (text), Middle Initial: MI (text)

Date of Birth: Select Date (calendar), Email: Email (text), Phone Number: () - - (text), Ext: Ext (text)

Address 1: Address 1 (text), Address 2: Address 2 (text), City: City (text), State: Select an ... (dropdown), Zip Code: Zip Code (text)

Organization Name: Organization Name (text), Role/Title: Role/Title (text)

SUBMIT RESET

Salutation	Select an optional Salutation for the user from the drop-down list values.
First Name	Enter First Name of the user. Note: Required field.
Last Name	Enter Last Name of the user. Note: Required field.
Middle Initial	Enter Middle Initial of the user, if applicable.
Date of Birth	The Date of Birth allows the user to enter the correct birth date by either using the calendar, or manually entering the date in the following format: MM/DD/YYYY.
Email	Enter an Email Address for the user. Note: Required field.
Phone Number	Enter a Phone Number for the user. Note: Required field.
Ext	Enter an extension for the user’s phone number, if applicable.
Address 1	Enter the user’s Address . Note: Required field.
Address 2	Continue entering Address from Address 1 field, if applicable.
City	Enter the City into the field. Note: Required field.
State	Select the State from the drop-down list. Note: Required field.
Zip Code	Enter a valid Zip Code . Note: Required field.
Organization Name	Enter the Organization Name into this field. Note: Required field.
Role/Title	Enter the user’s Role or Title into this field. Note: Required field.
Submit	Select Submit when all required fields are completed.
Reset	Select Reset to clear the fields and re-start the form.

Once the Administrator submits a request, a popup window as shown below will be displayed stating that your request has been submitted. The user will receive an email notification, once the Administrator approves their User Access.

**** Be sure to check that this notification did not go into a junk/spam email folder.****

NOTE: An activated user login stays current for 60 days. If after 60 days, there has not been a log in, the system will automatically deactivate the user.

User Types Hierarchy

- 1. Vendor Administrator is for a practice, provider, facility or ancillary provider) –** There can only be one (1) Administrator per NPI/Tax ID. Only the Administrator can complete the Request Access Form (login screen).
- 2. Vendor Authorized Users (can be set up for billing staff, front office staff, providers, etc.) –** These are individual staff members that the administrator creates and approves access for.

Dashboard

The Dashboard is the landing page displayed once the user logs into the portal. The dashboard gives the user an overview of Announcements, Messages, and Recent Attachments.

Please note screenshots provided may show additional portal functions that are not active at this time.

The screenshot displays the HealthAxis dashboard interface. At the top, there is a navigation bar with the HealthAxis logo and menu items: Members, Claims, Providers, Maintenance, and Administration. A user profile dropdown shows 'Welcome'. The main content area is divided into several sections:

- Announcements - 0**: A table with columns Date, Message, and Action. It contains the text 'No data available in table.'
- Messages - 0**: A table with columns From, Category, Subject, Status, Priority, and Date. It contains the text 'No data available in table.'
- Recent Attachments**: A section with a right-pointing arrow.
- Referral Highlights**: A section titled 'Authorization By Status' with a table:

Approved	0
Denied	0
In Process	0
Void	0
Total	0
- Hospital Census Data**: A section with a right-pointing arrow.

At the bottom of the dashboard, there is a footer with copyright information: © HealthAxis 2018, Version - 3.0.8.1, and a utility bar with icons for Edit/Update and Delete. A red tooltip at the bottom states: 'Double click on table row with icon to view more detail or select.'

Members Module

The Member Module allows users with specific access to search and view member details for benefits, eligibility and claims level details.

Accessing the Member Module

Once logged into the system, select Members from the dashboard.

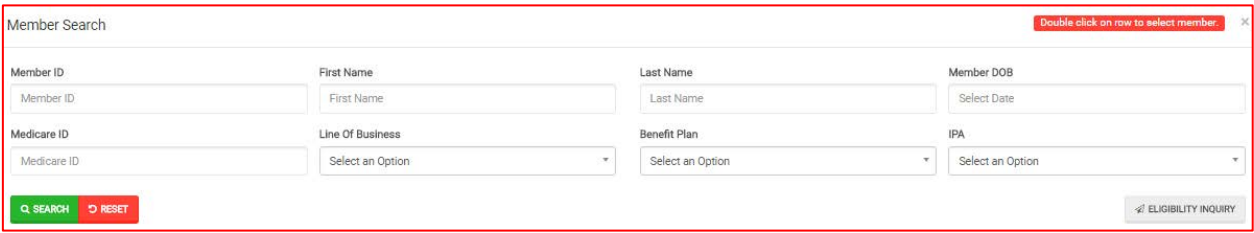

Member Search

Upon selecting “Members,” the Member Search popup window will display. Users may search for members based on the filters provided in the following table.

However, the member search results are dependent on the user roles:

- User – Admin: Can view all active members
- User – Provider: Can view members that are tied to the PCP or can search by Member ID and other available criteria.
- User – Facility/Vendor: Can search for all members but will need to enter Member ID and DOB or Medicare ID number.

Member Screen	
Field Names	Member Search Section – Field Descriptions
	
Member ID	The Member ID allows users to enter the Member’s ID number.
First Name	The First Name field allows users to enter the member’s First Name.
Last Name	The Last Name field allows users to enter the member’s Last Name.
Member DOB	The Member DOB date field allows users to select the Member’s DOB using the calendar feature or by manually keying the member’s DOB in as follows: MM/DD/YYYY
Medicare ID	The Medicare ID field allows users to enter the Medicare Beneficiary Identifier (MBI) as part of the search criteria.

Line of Business	The Line of Business field allows users to narrow the member search by selecting a line of business from the dropdown list.
Benefit Plan	The Benefit Plan field allows users to narrow the member search by selecting a benefit plan from the dropdown list.
IPA	The IPA field allows users to narrow the member search by selecting an IPA from the dropdown list.
Search	The Search button allows users to launch the search functionality, based on criteria selected. The results will populate below the search section.
Reset	The Reset button allows users to clear all data from the fields prior to saving.
Eligibility Inquiry	<p>The Eligibility Inquiry button allows users to send an inquiry requiring a member’s eligibility. Upon clicking the eligibility inquiry button, the eligibility inquiry screen will appear as seen below:</p>  <p>Users can enter the recipient, category, priority and message. Upon clicking the send button, the inquiry will be sent to the recipient entered.</p>

Providers Module

The Provider Module allows users search providers using specific search criteria.

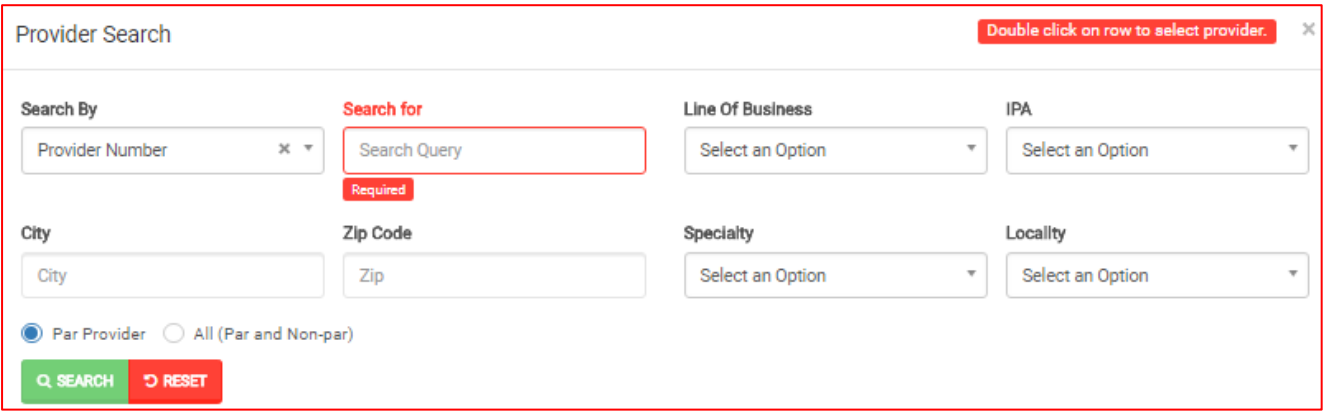

Accessing the Providers Module

Once logged into the system, select Providers from the dashboard.

Provider Search

Upon clicking the Provider Module, the Provider Search Popup Window will appear.

Provider Search Screen	
Field Names	Provider Search Section – Field Descriptions
	
Search By	The Search By field contains a dropdown list that can be utilized to narrow down a search to only display providers with specific criteria. Choices are: Any Name, Last Name, First Name, TIN, NPI, Provider Number and Organization Name.
Search For	The Search For fields corresponds to the selection chosen in the <i>Search By</i> field. EX: Smith <i>NOTE: An entry is required in this field, if a selection is made in the “Search By” field.</i>
Line of Business	The Line of Business dropdown list allows users to select a LOB as part of the search criteria.
IPA	The IPA dropdown list allows users to select an IPA as part of the search criteria.
City	The City field allows users to enter the city as part of the search criteria.
Zip Code	The Zip Code field allows users to enter the zip code as part of the search criteria.

Specialty	The Specialty dropdown list allows users to select a specialty as part of the search criteria.
Locality	The Locality dropdown list allows users to select a locality as part of the search criteria.
Par Provider	The Par Provider radio button allows users to select only Par providers as part of the search criteria.
All (Par and Non-par)	The All radio button allows users to select both Par and Non-Par providers as part of the search criteria.
Search	The Search button allows users to launch the Provider Search functionality based on the criteria selected. The results table will populate below with the respective data fields selected. Note: Clicking Search with no search criteria will return all results.
Reset	The Reset button allows users to clear all data from the fields prior to saving.

Administration Roles Screen

Field Names

Add Roles Section – Field Descriptions

The screenshot shows the 'Create New Role' form. It has two input fields: 'Name' and 'Description', both with a red 'Required' label below them. Below the input fields is a 'Select Permissions' section with a table of modules and their corresponding permissions. At the bottom are 'SUBMIT' and 'RESET' buttons.

Module	Permissions
Activity Log	READ
Claim	READ EXPORT/PRINT ALL
Member	READ EXPORT/PRINT ALL
Provider	READ EXPORT/PRINT ALL
Role	READ CREATE UPDATE DELETE ALL
User	READ CREATE UPDATE DELETE ALL

Name	The Name field allows users to enter a name for the role.
Description	The Description field allows users to enter a description for the role.
Select Permissions	The Select Permission section allows users to select the user’s access within each module and section of the Provider Portal. User Roles are created with specific accesses that include: Read only, Create, Update, Delete, or ALL, among others settings per the corresponding modules.
Submit	The Submit button allows users to submit the changes to the role.
Reset	The Reset button allows users to clear all data from the fields prior to saving.

Users

When a new user is creating an account in Provider Portal, then the user needs to request access, as described in the “How to Request Access to the Provider Portal” section.

Admin will be able to see the list of users requesting access under the ‘Provider Access Request’ section.

The screenshot shows a table titled 'Provider Access Request' with the following data:

User Name	First Name	Last Name	Middle Name	Access Level	Email	Phone Number	Extension	User Type	NPI	Tax ID	Company Name	Requested Date
CenCal	Cencal	Test		Authorization, Claim	cencal@healthaxis.com			Provider	1861722134			05/22/2017 2:49 PM
admin.test	Test	Test		Authorization, Claim				Provider	1811176480			04/26/2017 3:29 PM

Admin can select the Edit Icon (Blue pencil) to open the request and will now be able to assign a 'Role' to the user from the "Role Name" dropdown list. Proceed to hit "Approve" if the request is valid or select "Deny" if invalid.

Note: The user requesting access to the provider portal will receive an email confirmation.
