

## Vision

### **Healthy eyes and vision are important to your well-being.**

Comprehensive eye exams allow your eye doctor to thoroughly analyze the health of your eyes using a combination of tests. Many eye and vision conditions present no obvious symptoms, which is why regular comprehensive eye exams are so important. The earlier an eye disease or condition is diagnosed, the more effective treatment is likely to be to help maintain clear, healthy vision.

Our vision benefits are through a national vision partner, VSP® Vision Care. VSP has 62,000 providers nationwide and 2,106 across North Carolina. The providers are one-stop shops offering exams and eyewear. And 91 percent offer early morning, evening, and weekend hours for your convenience.

Your copay for routine eye exams is \$0 and the annual allowance for eyewear is \$100.
