

Dental Health

Preventive dental care is important to your health.

Dental health can have a direct impact on your overall health and well-being and may influence the development of certain conditions, such as diabetes and heart disease. Preventive dental services are included in all benefit offerings and include dental cleanings, oral exams, X-rays, and Medicare-covered exams. Please refer to the Summary of Benefits or the Evidence of Coverage for complete details regarding included preventive dental services.

As the state's leading dental insurance provider, Delta Dental® of North Carolina offers the largest network of dentists. Nationally, Delta Dental covers more than 80 million Americans and offers the country's largest dental network with approximately 157,000 participating dentists. Across the state, there are more than 3,500 licensed dentists in the network, giving you access to 36 percent more dentists than Delta's closest competitor.

Not only is your dental network more accessible, your copays are more affordable. Copays for routine exams, cleanings, and X-rays are \$10 for PPO I members and \$0 for PPO II members.

HealthTeam Advantage, a product of Care N' Care Insurance Company of North Carolina, Inc., is a Medicare Advantage organization with a Medicare contract. Enrollment in HealthTeam Advantage depends on contract renewal.
