

Changes to the
HealthTeam Advantage PPO Plan II
2023 Evidence of Coverage

November 15, 2022

This is important information on changes in your HealthTeam Advantage PPO Plan II coverage.

We previously sent you the Evidence of Coverage (EOC) which provides information about your coverage as an enrollee in our plan. This notice is to let you know there were errors in your EOC.

Below you will find information describing and correcting the errors. Please keep this information for your reference. The correct EOC can be found on our website at www.htanc.com

Where you can find the error in your 2023 EOC	Original Information	Corrected Information	What does this mean for you?
On page 132, under “Section 2.1, What are the drug payment stages for HealthTeam Advantage Plan II (PPO) members?”	No information was listed.	Important Message About What You Pay for Insulin - You won’t pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it’s on.	You will not pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it’s on.
On page 139, under “Section 8, Part D Vaccines. What you pay for depends on how and where you get them”	Our plan provides coverage for a number of Part D vaccines and vaccines covered under medical benefits. Because coverage for vaccines can be complicated, we suggest that you call your Healthcare Concierge prior to receiving any vaccinations if you have any concerns.	Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.
