List drugs used previously to treat the same condition:	
Additional clinical information or history. Please include any relevant test results and/or medical record notes:	

Questionnaire

Q1: I, as the provider or designated representative of the provider, certify and attest that the information provided is complete and accurate and that, upon request, I shall provide any information to RxAdvance that RxAdvance determines is reasonably necessary to verify my responses. (Check only one that apply)

[ ] Yes

[ ] No

Q2: Is the member currently treated with this medication? (Check only one that apply)

[ ] Yes (please list start date of therapy (month/day/year)) _____ (*Required)

[ ] No

Q3: What is the member's diagnosis? (Check only one that apply)

[ ] Central Precocious Puberty CPP (idiopathic or neurogenic).

[ ] Other (please specify the member's diagnosis and provide clinical rationale for the request) _____(*Required)

Q4: Does the member have luteinizing hormone (LH) levels suppressed to pre-pubertal levels? (Check only one that apply)

[ ] Yes (please specify lab test, lab values and date of lab test) _____ (*Required)

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q5: What is the member's diagnosis? (Check only one that apply)

[ ] Central Precocious Puberty CPP (idiopathic or neurogenic).

[ ] Other (please specify the member's diagnosis and provide clinical rationale for the request) _____(*Required)

Q6: Member meets which of the following: (Check only one that apply)

[ ] Early onset of secondary sexual characteristics in females less than age 8

[ ] Early onset of secondary sexual characteristics in males less than age 9

[ ] Other (please provide clinical rationale for the request) _____ (*Required)

Q7: Does the member have advanced bone age of at least one year compared with chronologic age? (Check only one that apply)

[ ] Yes

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q8: Does the member has undergone gonadotropin-releasing hormone agonist (GnRHa) testing? (Check only one that apply)

[ ] Yes (please specify lab test, lab values and date of lab test) _____ (*Required)

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q9: Does the member's peak luteinizing hormone (LH) level above pre-pubertal range? (Check only one that apply)

[ ] Yes (please specify lab test, lab values and date of lab test) _____ (*Required)

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q10: Does the member has a random LH level in the pubertal range? (Check only one that apply)

[ ] Yes (please specify lab test, lab values and date of lab test) _____ (*Required)

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q11: Has the member had an inadequate response or intolerance to Lupron Depot-Ped? (Check only one that apply)

[ ] Yes (please specify the intolerance experienced and the start and end date(s) of therapy (month/year))
_____(*Required)

[ ] No (please provide clinical rationale for the request) _____
(*Required)

Q12: Is the requested medication prescribed by or in consultation with a pediatric endocrinologist? (Check only one that apply)

[ ] Yes

[ ] No (please provide clinical rationale for the request) _____
(*Required)

Attestation: I attest the information provided is true and accurate to the best of my knowledge. I understand that the Health Plan, Insurer, Medical Group or its designated representatives may perform a routine audit and request the medical information necessary to verify the accuracy of the information reported on this form.
