Questionnaire

Q1: I, as the provider or designated representative of the provider, certify and attest that the information provided is complete and accurate and that, upon request, I shall provide any information to RxAdvance that RxAdvance determines is reasonably necessary to verify my responses. (Check only one that apply)

Yes

No

Q2: Is the member currently treated with this medication? (Check only one that apply)

Yes (please list start date of therapy (month/day/year)) _____

(*Required)

Prior Authorization Form

No

Q3: What is the member's diagnosis? (Check only one that apply)

Moderately to severely active rheumatoid Arthritis (RA)

Moderately to severely active ulcerative colitis (UC)

Sarcoidosis

Chronic severe (ie, extensive and/or disabling) plaque psoriasis

Ankylosing Spondylitis

Moderately to severely active Crohn's Disease (CD)

Active psoriatic arthritis (PsA)

Moderately to severely active fistulizing Crohn's Disease (FCD)

Other (please specify the member's diagnosis and provide clinical rationale for the request)

_____ (*Required)

Q4: Does the member have a documentation of positive clinical response to therapy as evidenced by one of the following: reduction in the BSA involvement from baseline, OR improvement in symptoms (eg, pruritus, inflammation) from baseline.? (Check only one that apply)

Yes (please provide the supporting documents) _____

(*Required)

No (please provide medical justification for continuation of therapy)

_____ (*Required)

Q5: Does the member have a documentation of positive clinical response to therapy as evidenced by at least one of the following: improvement in intestinal inflammation (eg, mucosal healing, improvement of lab values [platelet counts, erythrocyte sedimentation rate, C-reactive protein level]) from baseline OR reversal of high fecal output state? (Check only one that apply)

Yes (please provide the supporting documents) _____

(*Required)

No (please provide medical justification for continuation of therapy)

_____ (*Required)

Q6: Does the member have a documentation of positive clinical response to therapy as evidenced by at least one of the following: reduction in the total active (swollen and tender) joint count from baseline OR improvement in symptoms (eg, pain, stiffness, inflammation) from baseline? (Check only one that apply)

Yes (please provide the supporting documents) _____

(*Required)

No (please provide medical justification for continuation of therapy)

_____ (*Required)

Q7: Does the member have a documentation of positive clinical response to therapy as evidenced by at least one of the following: reduction in the total active (swollen and tender) joint count from baseline, improvement in symptoms (eg, pain, stiffness, pruritus, inflammation) from baseline, OR reduction in the BSA involvement from baseline? (Check only one that apply)

Yes (please provide the supporting documents) _____

(*Required)

Prior Authorization Form

No (please provide medical justification for continuation of therapy)
_____ (*Required)

Q8: Does the member have a documentation of positive clinical response to therapy as evidenced by improvement from baseline for at least one of the following: disease activity (eg, pain, fatigue, inflammation, stiffness), lab values (erythrocyte sedimentation rate, C-reactive protein level), function, axial status (eg, lumbar spine motion, chest expansion), OR total active (swollen and tender) joint count. (Check only one that apply)

Yes (please provide the supporting documents) _____
(*Required)

No (please provide medical justification for continuation of therapy)
_____ (*Required)

Q9: Does the member have a documentation of positive clinical response to therapy? (Check only one that apply)

Yes (please provide the supporting documents) _____
(*Required)

No (please provide medical justification for continuation of therapy)
_____ (*Required)

Q10: What is the member's diagnosis? (Check only one that apply)

- Moderately to severely active rheumatoid Arthritis
- Moderately to severely active ulcerative colitis (UC)
- Sarcoidosis
- Chronic severe (ie, extensive and/or disabling) plaque psoriasis
- Ankylosing Spondylitis
- Moderately to severely active Crohn's Disease (CD)
- Active psoriatic arthritis (PsA)
- Moderately to severely active fistulizing Crohn's Disease (FCD)
- Other (please specify the member's diagnosis and provide clinical rationale for the request)
_____ (*Required)

Q11: Does the member meet any one of the following? (Check only one that apply)

- Frequent diarrhea and abdominal pain, at least 10% weight loss, complications (eg, obstruction, fever, abdominal mass), abnormal lab values (eg, CRP)
- CD Activity Index (CDAI) greater than 220
- None of above (please provide clinical rationale for the request)
_____ (*Required)

Q12: Has the member had an inadequate response, intolerance or experienced contraindication(s) to at least one of the following conventional therapies: 6-mercaptopurine, azathioprine, corticosteroids (eg, prednisone), methotrexate? (Check only one that apply)

Yes (please specify drug name, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____ (*Required)

Prior Authorization Form

No (please provide clinical rationale for the request) _____
(*Required)

Q13: Does the member meet any one of the following? (Check only one that apply)

Greater than 6 stools per day, frequent blood in the stools, frequent urgency, presence of ulcers, abnormal lab values (eg, hemoglobin, ESR, CRP) (please provide the supporting documents) _____
(*Required)

Dependent on, or refractory to, corticosteroids (please provide the supporting documents) _____
(*Required)

None of above (please provide clinical rationale for the request) _____
(*Required)

Q14: Has the member had an inadequate response, intolerance or experienced contraindication(s) to at least one of the following conventional therapies: corticosteroids (eg, prednisone), aminosalicylate (eg, mesalamine, olsalazine, sulfasalazine), azathioprine, 6-mercaptopurine? (Check only one that apply)

Yes (please specify drug name, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____ (*Required)

No (please provide clinical rationale for the request) _____
(*Required)

Q15: Is the requested medication used in combination with methotrexate? (Check only one that apply)

Yes

No (please provide clinical rationale for the request) _____
(*Required)

Q16: Does the member meet any one of the following? (Check only one that apply)

Actively inflamed joints

Dactylitis

Enthesitis

Axial disease

Active skin and/or nail involvement (please specify) _____
(*Required)

None of above (please provide clinical rationale for the request) _____
(*Required)

Q17: Does the member meet any one of the following? (Check only one that apply)

At least 3% body surface area (BSA) involvement (please specify) _____
(*Required)

Severe scalp psoriasis

Palmoplantar (ie, palms, soles) (please specify) _____ (*Required)

Facial, or genital involvement (please specify) _____ (*Required)

None of above (please provide clinical rationale for the request) _____
(*Required)

Prior Authorization Form

Q18: Has the member had an inadequate response, intolerance or experienced contraindication(s) to at least 4 weeks trials of one of the following topical therapies: corticosteroids (eg, betamethasone, clobetasol), vitamin D analogs (eg, calcitriol, calcipotriene), tazarotene, calcineurin inhibitors (eg, tacrolimus, pimecrolimus), anthralin, OR coal tar (Check only one that apply)

Yes (please specify drug name, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____ (*Required)

No (please provide clinical rationale for the request) _____ (*Required)

Q19: Has the member had an inadequate response, intolerance or experienced contraindication(s) to at least a 1 months trial of one NSAID (eg, ibuprofen, naproxen)? (Check only one that apply)

Yes (please specify drug name, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____ (*Required)

No (please provide clinical rationale for the request) _____ (*Required)

Q20: Has the member had an inadequate response, intolerance or experienced contraindication(s) to at least to one of the following: corticosteroid (eg, prednisone) OR immunosuppressant (eg, methotrexate, cyclophosphamide, azathioprine). (Check only one that apply)

Yes (please specify drug name, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____ (*Required)

No (please provide clinical rationale for the request) _____ (*Required)

Q21: Is the requested drug prescribed by or in consultation with a rheumatologist? (Check only one that apply)

Yes

No (please provide clinical rationale for the request) _____ (*Required)

Q22: Is the requested drug prescribed by or in consultation with a rheumatologist or dermatologist? (Check only one that apply)

Yes (please specify the specialist) _____ (*Required)

No (please provide clinical rationale for the request) _____ (*Required)

Q23: Is the requested drug prescribed by or in consultation with a gastroenterologist? (Check only one that apply)

Yes

No (please provide clinical rationale for the request) _____ (*Required)

Q24: Is the requested drug prescribed by or in consultation with a pulmonologist, dermatologist, or ophthalmologist? (Check only one that apply)

Yes (please specify the specialist) _____ (*Required)

No (please provide clinical rationale for the request) _____ (*Required)

Q25: Is the requested drug prescribed by or in consultation with a dermatologist? (Check only one that apply)

Yes (please specify the specialist) _____ (*Required)

Prior Authorization Form

No (please provide clinical rationale for the request) _____
(*Required)

Q26: Has the member had an inadequate response or intolerance to Remicade or Infliximab? (Check only one that apply)

Yes (please specify drug name, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____ (*Required)

No (please provide clinical rationale for the request) _____
(*Required)

Attestation: I attest the information provided is true and accurate to the best of my knowledge. I understand that the Health Plan, Insurer, Medical Group or its designated representatives may perform a routine audit and request the medical information necessary to verify the accuracy of the information reported on this form.
