Questionnaire

Q1: I, as the provider or designated representative of the provider, certify and attest that the information provided is complete and accurate and that, upon request, I shall provide any information to RxAdvance that RxAdvance determines is reasonably necessary to verify my responses. (Check only one that apply)

[ ] Yes

[ ] No

Q2: Is the member currently treated with this medication? (Check only one that apply)

[ ] Yes (please list start date of therapy (month/day/year)) _____ (*Required)

[ ] No

Q3: What is the member's diagnosis? (Check only one that apply)

[ ] Relapsing form of multiple Sclerosis (MS) (eg, relapsing-remitting disease, secondary progressive disease, including active disease with new brain lesions). (please specify the type of MS) _____ (*Required)

[ ] Other (please specify the member's diagnosis and provide clinical rationale for the request) _____(*Required)

Q4: Will the requested drug be used as combination with another disease-modifying therapy for MS? (Check only one that apply)

[ ] Yes (please provide medical justification for continuation of therapy) _____(*Required)

[ ] No

Q5: Does the member have documentation of positive clinical response to therapy (e.g., stability in radiologic disease activity, clinical relapses, disease progression)? (Check only one that apply)

[ ] Yes (please provide documentation(s) supporting the positive response of the therapy) _____(*Required)

[ ] No (please provide medical justification for continuation of therapy) _____(*Required)

Q6: Is the requested medication prescribed by or in consultation with a neurologist? (Check only one that apply)

[ ] Yes

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q7: What is the member's diagnosis? (Check only one that apply)

[ ] Relapsing form of multiple Sclerosis (MS) (eg, relapsing-remitting disease, secondary progressive disease, including active disease with new brain lesions). (please specify the type of MS) _____ (*Required)

[ ] Other (please specify the member's diagnosis and provide clinical rationale for the request) _____(*Required)

Q8: Has the member had an inadequate response, intolerance or experienced contraindication(s) to one of the following: Avonex (interferon beta-1a), Betaseron (interferon beta-1b), Extavia (interferon beta-1b), Plegridy (peginterferon beta-1a)? (Check only one that apply)

[ ] Yes (please specify drug names, corresponding contraindication(s) or intolerance experienced and the start and end date(s) of therapy (month/year)) _____(*Required)

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q9: Is the request for continuation of prior therapy? (Check only one that apply)

[ ] Yes

[ ] No (please provide clinical rationale for the request) _____ (*Required)

Q10: Does the prescribed medication used combination with another disease-modifying therapy for MS? (Check only one that apply)

[ ] Yes (please provide clinical rationale for the request) _____
(*Required)

[ ] No

Q11: Is the requested medication prescribed by or in consultation with a neurologist? (Check only one that apply)

[ ] Yes

[ ] No (please provide clinical rationale for the request) _____
(*Required)

Attestation: I attest the information provided is true and accurate to the best of my knowledge. I understand that the Health Plan, Insurer, Medical Group or its designated representatives may perform a routine audit and request the medical information necessary to verify the accuracy of the information reported on this form.
