

Changes to the  
HealthTeam Advantage Diabetes & Heart Care (HMO CSNP)  
2023 Evidence of Coverage

March 1, 2023

**This is important information on changes in your HealthTeam Advantage Diabetes & Heart Care (HMO CSNP) coverage.**

We previously informed you that the Evidence of Coverage (EOC) and Summary of Benefits which provides information about your coverage as an enrollee in our plan. This notice is to let you know there were updates in your EOC and Summary of Benefits.

Below you will find information describing the updates. Please keep this information for your reference. The documents have been updated and can be found on our website [www.htanc.com](http://www.htanc.com).

**Important Message About What You Pay For Part B Covered Drugs**

Medicare beneficiaries have new benefits available under the Inflation Reduction Act (IRA) that apply to HealthTeam Advantage members.

**Effective April 1, 2023**

Your coinsurance for certain Part B rebatable drugs, as determined by Medicare, may be subject to a lower coinsurance (less than 20%).

**Effective July 1, 2023**

You will not pay more than \$35 for a one-month supply of each insulin product covered by our plan if you use with a traditional insulin pump that is covered under the Medicare durable medical equipment benefit (Part B). Service category or plan level deductibles do not apply to covered Part B insulins.

## Changes to your EOC
