Plan I (PPO) & Plan II (PPO)

Dental

Getting regular dental care is important not only for your teeth and gums, but your overall health.

That's why HealthTeam Advantage covers non-Medicare covered preventive dental services such as cleanings, oral exams, and X-rays. Comprehensive services such as fillings, dentures, and crowns are covered, too.

We partner with Dominion Dental Services, Inc., to administer this benefit. Your out-of-pocket costs may be higher if you choose a dentist outside the Dominion Dental network.

For Your Benefit

- ◆ No annual benefit maximum for most preventive, non-Medicare covered services, such as oral exams, cleanings, and bitewing X-rays. (Frequency and visit limits apply.)
- ◆ Low annual deductible for some diagnostic and preventive services and all comprehensive services:
 - \$100 for Plan I and \$50 for Plan II
- ◆ High annual benefit maximum for comprehensive dental services (combined for In- and Out-of-Network Services):
 - \$2,500 for Plan I and \$3,000 for Plan II
- ◆ Refer to your Evidence of Coverage for details on covered services.
- ◆ Visit [dominiondentists.com/healthteamadvantage](https://www.dominiondentists.com/healthteamadvantage) to find a Dominion Dental provider.
- ◆ For claims questions, call Dominion Dental at 833-208-3848.
