Provider Connections

September 2026 Edition

Comprehensive Physical Exams & Annual Wellness Visits

It's time to schedule these important visits! Here's everything you need to know about coverage, copays, coding, and more.

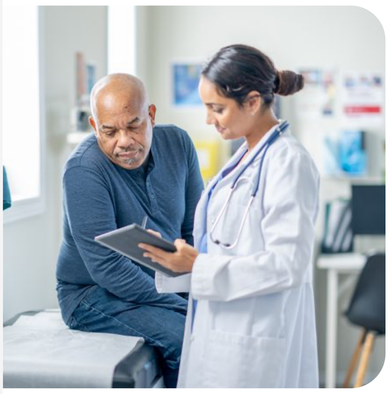

See the FAQ ➜

A Seasonal Reminder

Seasonal changes can be particularly challenging for patients living with asthma or COPD. Changes in temperature, allergens, respiratory infections, air quality, and daily routines can contribute to worsening symptoms. The good news is that many of these situations give us an opportunity to intervene earlier.

ER Visit Follow-up for Those with High-Risk Multiple Chronic Conditions

Patients with multiple chronic conditions are especially vulnerable after an Emergency Room visit. Timely follow-up can help prevent medication errors, worsening symptoms, avoidable readmissions, and more. Our Provider Follow-up Checklist can help you support your patients.

See the checklist ➜

Coding Tip Corner

Health status is captured through ICD-10-CM diagnosis coding. Accurate and complete diagnosis reporting is a critical compliance requirement, as it directly drives risk adjustment and funding. Here are some tips to help you receive credit for the care you provide.
