HHA				

This request will be processed per the standard organization determination timeframes. If this request needs to be treated as "expedited", please note clinical justification why applying the standard timeframe for a determination could seriously **jeopardize the member's life, health or ability to regain maximum function**:

Authorization does not guarantee or confirm benefits will be paid. Payment of claims is subject to eligibility, contractual limitation, provisions and exclusions. Please refer to www.healthteamadvantage.com for specific codes requiring a prior authorization.

FAX: 844-873-3163

485 and evidence of a face to face are required for all

Examples of acceptable SN summary documentation:

- Change in condition – describe what changes in patient’s condition have occurred
- Unstable condition – describe unstable condition and attach supporting documentation; examples include vital signs log, PT/INR log, blood sugar log, other abnormal labs that require SN intervention
- New and changed medications within 14 days – describe what medications have changed or been added
- Wound clinical with photo; new photo required every 30 days to show progression
- Submit therapy evaluations and notes for all therapy services being requested.

Describe circumstances that require skilled services:

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
