INSTRUCTIONS

A. WHEN TO USE THIS FORM

This claim form is to be used only when it has been necessary to purchase prescriptions because your participating pharmacy did not honor your identification card or was unable to directly submit your claim. It should also be used when it was necessary to have your prescriptions filled at a non-participating pharmacy.

Submit this form to the address below as soon as you have your prescription(s) filled in order to receive prompt payment. IT IS NOT necessary to keep the form until completely filled.

B. HOW TO COMPLETE THIS FORM

1. Complete the upper portion of the claim form under **Cardholder Information.** Transfer the Cardholder Identification Number, Member Number (if applicable) and Group Number from your identification card.

2. A separate claim form must be completed for each **patient.**

3. Have your pharmacist complete the **PRESCRIPTION INFORMATION** section for each prescription filled and the **PHARMACY INFORMATION** section. If you are unable to have the form completed by your pharmacist, most of the information needed in these sections can be copied from the prescription label and/or your receipt.

   IMPORTANT: The drug quantity, drug name and strength **or** eleven digit National Drug Code (NDC) is required and **must** appear on your submitted claim(s) or receipt(s).

4. **The original paid pharmacy receipt(s) must accompany this form. A cash register receipt is not satisfactory proof of purchase.**

5. **FOR COMPOUNDED PRESCRIPTIONS ONLY:** If your pharmacist tells you this is a compounded prescription, you must complete CLAIM NUMBER 6. Ask your pharmacist for assistance. The NDC number appearing on the claim should be that of the most expensive prescription ingredient. Should you have more than one compounded prescription, please use additional claim forms.

6. Claim forms submitted without the required information can cause payment delays and result in the information being returned for completion.
